# Autism Education Trust (AET)

- Aim of School Improvement Plan: To strengthen the support given to SEND children with a focus on ASD through AET.
- Training for all teaching and nonteaching staff in Term 2 and 4.

# Autism Education Trust (AET)

- Accredited training programmes – initial training session run by Will Roberts (Educational Psychologist). Further sessions planned over the year.
- Resources – Early Years, Key Stage 1 and 2

# Precision Teaching

- Precision Teaching emphasises accuracy and fluency and teaches the most useful skills first.
- It is a method of precisely finding out which teaching approaches work and then using them.
- It is systematic and tightly monitored.
- Evidence based research.
- All TA's and DR to receive advanced training.
- This will take place over 4 training sessions.
- Delivered by Will Roberts (School Ed Psychologist).
- This will support children with spelling, reading, handwriting and maths.

# IEPs

- Reviewing and evaluating current format and style of our IEPs.
- Aim is to make it more child friendly.
- Will Roberts involved in developing new IEP format.
- This will be trialled in the spring term where we will welcome feedback from children and parents.

# Feedback

Please spend a few minutes filling in the feedback forms. We value your input in how to further support your children at Oreston.

Thank you for coming 😊
