Welcome

A Message from Mrs Chivers...

In starting school this September, our number one priority is ensuring that the children build strong connections with their new teaching team, so that they feel **safe** and **happy** in their new **learning** environments.

Our aim for all children is to grow their potential to enable them to achieve high personal performance through knowledge-rich curriculum experiences throughout the coming year. The curriculum is supported by our strong ethos of wellbeing and care; our school values; promotion of mental health and having high expectations for all our children to succeed.

Please do email leaders@oreston.com should you wish to get in touch.

We look forward to working positively in partnership to achieve the very best for your child.

The programme ensures that children 'keep up, not catch up'. Your child will be assessed before the end of this term and be grouped based on their phonic ability for their return in September. Your child will then be assessed at the end of each half term throughout the year so that they are always in the right group to maximise their reading progress.

There are further updates and information on our school website.

In September, we are introducing our **Learning Planners**, which every child will receive.

The intention is to promote the high value we put on home/school links and continuing school learning at home.

Home learning is to be recorded in them each week and planners then shared with the class teacher.

These are to be valued and looked after by children. Replacements will need to be purchased should your child lose or damage them.
