- Singular words for 'the'

rachelhawkes.com

Maths

In maths the children will be learning:

- Capacity
- Fractions 2
- Money
- Time
- Angles and properties of shapes
- statistics

Art/DT

In Art we will be learning all about Tin Mitsya who creates wonderful tin foil art structures. We will be starting by looking at shading different objects and how this can add depth and detail to our drawings. We will look at how his art work is so special and even have a go at making some of our own!

Science

In science this term the children will be learning about

- Plants
- light

Geography

Volcanoes

- How do volcanoes affect a place?

Climate and biomes

- How does the climate affect the way people live?

History

Ancient Greece

- What can historians learn from the sources from Ancient Greece

Alexander the Great

- How did Alexander the Great conquer so much land?

Music

This term we'll be learning about jazz music and developing our singing technique

PE

- Athletics
- Handball
- Rounders

PSHE

Our themes this term in PSHE are 'Relationships and 'Changing me':

Computing

In computing this term we will be learning about programming and desktop publishing.

RE (Judaism)

Joseph, Moses and the Exodus

- Why do Jews celebrate the festival of Passover?

Samuel, Saul, David and the Kingdom

- How do Jews today show the importance of the Jewish Temple and the kingdom of Israel?
