Art/DT

In year 5, children will learn about a different artist each term. They will be able to describe the differences and similarities and make links to their own work.

In the Autumn term, children will study Johannes Vermeer and Robert Lenkiewicz. They will then be:

- Creating a portrait in his style
- Carrying out detailed painting.

In DT children will explore gears and pulleys.

- They will be designing, making and evaluating a fairground ride using pulleys.

Science

In science this term the children will be learning about properties and changes in materials:

- What properties does the material have?
- Is the process reversible or irreversible?

In term 2 we will learn about animals, including humans:

- What are the changes as humans develop to old age?

Geography

California

- Why is California so Thirsty?

Oceans

- How do people and oceans affect each other?

History

The round city: Baghdad

- Why were there so many restless minds in Muslim Cordoba and Baghdad?
