Dear Parents and Carers,

As I am sure you are aware, prices continue to increase globally for many everyday items including food, fuel and delivery. After careful consideration and financial review, we have no other option but to implement an increase to help offset these current rises in costs and to be in line with other schools in the city.

From Tuesday 18<sup>th</sup> April 2023, the cost of a school meal will increase from £2.40 to £2.60 per meal. This will impact paying pupils in Nursery and Years 3, 4, 5 and 6, who choose to have meals provided by the school.

**Foundation, Year 1 and Year 2 will still receive free school meals under the universal free school meal scheme.**

Please make sure that you add credit to your Schoolmoney account as per our School Meals Debt Recovery Policy.

Please remember, if you feel you may be entitled to Free School Meals, please visit our website <https://www.orestonacademy.com/pupil-premium/> for more information.

Yours sincerely,
