

Oreston Community Academy

School Improvement Key Priorities 2019-2020

- QE4 - To ensure 100% of children make at least expected **progress** in English and Mathematics in all year groups, with a strong focus on those working at **Greater Depth**.
- QE5 - To ensure that in end of key stage assessments, the school's results are **above the national average**.
- QE9 - To ensure in end of key stage assessments for **SEN** children, the results are at least in line with national average for this group.
- QE1 - Develop the **curriculum** to ensure that the skills and knowledge acquisition is age appropriate, cumulative and meets the needs of all learners
- L1 - Develop **Teaching and Learning** to become **consistently highly effective** across whole school, building on CPD opportunities and working together as a **whole school team**.
- QE6 - To ensure that the % of children passing the **phonics** screening check exceeds national average with a target of 90%.
- E5 - Develop the provision in **Nursery** with the new admissions arrangements ensuring exit data improves.

Teaching and Learning - Consistently Highly Effective

Progress Writing Greater Depth Above National Average SEN Curriculum
